Prague, Czech Republic

Greetings From

Chemistry 2022 Sponsorship

We would like to invite you to become a sponsor at the “13th World Congress on Chemistry and Medicinal Chemistry” to be held in September 05-06, 2022 on Prague, Czech Republic.

Chemistry 2022 is a unique opportunity for your organization to connect with up to 250 leading healthcare professionals who work in a variety of academics, research, industry, government and private sectors.

The Organizing Committee is diligently working on bringing the most knowledgeable researchers from all over the world, as well as leaders in the industry to explore the recent happenings in Surgery and Anesthesia through an energizing and informative program of speakers, and facilitating networking and business opportunities for sponsors through an interactive exhibition and a dynamic program of social events.

This high-profile event would be a great chance to present your company among the most representative group of people so doesn't miss this opportunity to enhance your brand and demonstrate your leadership at Surgery and Anesthesia.

Sponsors and exhibitors will receive acknowledgement prior to, during and after the conference through conference materials and the website, and enjoy significant contact with delegates during the exhibition and social events.

We offer a wide range of sponsorship opportunities to suit your needs. We encourage you to review the enclosed details and respond quickly, as we expect to sell out.

We look forward to your participation in this premier medical event, and welcoming you to Prague in September 2022

Sincerely
Organizing Committee.

SCOPE AND TOPICS

The scope of the conference covers all the niche research arenas in Anesthesia research happening around the world. The latest achievements of surgery and technological developments will be presented and thoroughly discussed through a series of Key Notes, Plenaries, Workshops, Symposiums and Poster sessions.

A broad spectrum of research and innovation activities will range from basic research to application-oriented multidisciplinary tracks and sub tracks will be addressed at the In search of innovative cutting-edge skills and technological advancements in surgery and Chemistry 2022.
